

Sometimes \_\_\_\_\_ experiences emotional or behavioral responses to experiencing/recovering from an FPIES reaction. As a parent/caregiver, these are some of the responses that I have witnessed and some strategies we use at home that have helped in the past. I understand that you will also have certain strategies in the classroom and trust that you will help \_\_\_\_\_ if he/she is struggling. I thought it might be helpful for you to know what works at home as well! Thank you for all that you do and please do not hesitate to contact me at \_\_\_\_\_. Thanks again, \_\_\_\_\_ (date \_\_\_\_\_)
