Your support has been instrumental in helping us to continue to provide programs and outreach to families as well as the medical and scientific communities!

In 2018, we are supported by donations from:

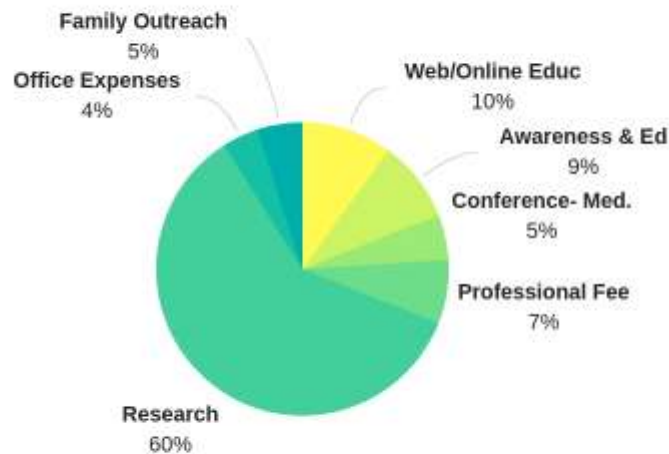

The FPIES Foundation Revenue 2018

Because of your generous donations, we were able to contribute to research vital to the understanding of FPIES as well as continue our efforts of creating ongoing and future programs, supporting families and professionals caring for those living with FPIES.

Your contributions at work for 2018 resulted in:

The FPIES Foundation Expenses 2018

Food Protein Induced Enterocolitis Syndrome

The FPIES Foundation is an Incorporated 501(c)3 Non-profit Foundation whose mission is dedicated to overcoming the challenges of Food Protein-Induced Enterocolitis Syndrome by offering tools for education, support, and advocacy to empower families and the medical community.
