The FPIES Foundation Revenue 2021

Your contributions at work for 2021 resulted in:

- Providing Community Outreach
- Attending Medical Conferences AAAAI and AAP
 - Maintaining memberships
- Contributing to the Medical Nutrition Equity Act
- Engaging in FPIES Research and Continuing the FPIES Registry
- Maintaining our website and online forums filled with resources, tools and support
- Supplying printed awareness and education pamphlets to Providers, families, daycares/schools, and more!
